- Easily removes graffiti, faulty paintwork, etc. quickly and thoroughly
- Outstanding penetration depth and dissolving power
- Can be used on a wide variety of substrates
- Simple practical application
- Very productive

Material base

Special combination of active ingredients

Colour

Colorless

Substrate

Various substrates such as concrete

Processing

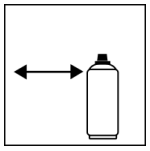
Protection measures

Wear personal protection equipment.
(gloves / goggles)
For more information, see safety data sheet.

Shake

Shake can thoroughly for 2 minutes
- starting from when the mixing balls are heard.

Spraying distance



15 cm - 25 cm

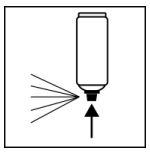
Processing conditions

Spray directly onto the dirt.
Leave on for 3 - 5 minutes while wet. Don't let it dry!
Brush progressively to remove dirt. Rinse with plenty of water. Repeat if necessary.

Painting structure

Recoatable:
As soon as the surface to be painted is clean, dry and free of grease again.
Paintwork:
1. belton basic Graffiti Remover
2. Primers / belton primer sprays
3. Top coat / belton spray paint (color)

Finish



After painting, turn the can upside down and spray for 3 - 5 seconds to clean the valve.

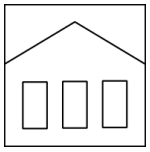
Additional Information

Please note

Avoid shocks, friction and impacts.

In case of eye contact, rinse immediately with plenty of water and consult a doctor. Wash hands with plenty of water after use.
Pay attention to the instructions on the label.

Shelf Life



10 Years
The can must be stored and transported in an upright position between 15 - 25° C and a relative humidity

of not more than 60% in a dry place where it is protected against chemical and mechanical influences. The safety instructions on the can as well as all legal provisions of the storage location have to be noted.

Disposal

The completely emptied spray cans must be disposed of in the recycling system. Cans with hardened material must be disposed of as special waste.

Note

Before use, the safety instructions must always be read carefully and observed.
