Finish

### **Additional Information**

Please note

Paint over with belton clear coat for all effects (Art. no. 323 399).

Please check plastic substrates for compatibility. All other substrates such as stone, clay, ceramics, glass, rattan/bast, cardboard/paper should be primed with the belton universal primer.

Do not spray on synthetic resin painted surfaces, as the paint may pull up.

The can is upright, dry and protected from chemical and mechanical influences to be stored and transported between 15 - 25° C. The safety instructions on the can as well as all legal provisions of the storage location to note.

The completely emptied spray cans must be disposed of in the recycling system. Cans with hardened material must be disposed of as special waste.

Before use, the safety instructions must always be read carefully and observed.
