SprayMax® 1K Aqua Silicon remover 400 ml Art. Nr. 680094

Product

Description / Purpose

Water-borne cleaning agent, rich in active ingredients and with a reduced solvent content. Ideal for the removal of silicone, grease, oil, wax, dirt, tar, and soot. This high quality product improves the adhesion to any paint coat and reduces the electrostatic effect. High cleaning and degreasing properties. The product is used for the application of waterborne basecoats.

Properties

- Increases adhesion
- Maximum yield
- Uniform distribution
- Strong cleaning and degreasing effect
- Reduces electrostatic effect
- Especially for application of waterborne basecoats and special coatings.

Material base

Combination of water and solvent resins

VOC Value (EU)

687 g/l

Substrate

Metal, plastics, glass, old paint and factory paintol which have been filled and primed; Coated and uncoated surfaces.

Processing

Protection measures

Wear personal protection equipment.
(respiratory mask/gloves/goggles)
For more information, see safety data sheet.

Spraying distance

15 cm - 20 cm

Spray passes

1 light spray coat directly before you applying the next paint coat and wipe it immediately using a clean, dry cloth. Only clean small areas in parallel. In case of heavy contamination repeat the cleaning process. Don't use contaminated clothes. Change the clothes more often.

Processing conditions

Optimum application at 18° C - 25° C and a relative humidity from 40 - 60 %.

Finish

After painting, turn the can upside down and spray the valve until empty.

Additional Information

Shelf Life

60 months

The usage period refers to an unused can that is stored correctly at a temperature of 15 - 25° C and a relative humidity below 60%. The can must be stored and transported in an upright position in a dry place where it is protected against chemical and mechanical influences. The safety information on the can and all statutory provisions applicable for the storage site must be observed.

Disposal

The completely emptied spray cans must be disposed of in the recycling system. Cans with hardened material must be disposed of as special waste.

**Note**

For professional use only.
